PROJECTS

News Homepage — **Modern and Responsive News Platform**
- Developed a clean and responsive news homepage using HTML, CSS, and JavaScript.
-Features a visually engaging layout with a prominent main story and a curated list of trending news
-Includes intuitive navigation with sections like Home, New, Popular, Trending, and Categories.
-Designed with a modern aesthetic, bold typography, and a structured content arrangement for enhanced readability.
[News Homepage](#)

Deo — **Timeless Fashion for Every Occasion**
-Designed and developed a stylish e-commerce landing page using HTML, CSS, and JavaScript.
-Features a modern and elegant UI that highlights timeless fashion pieces for various occasions.
-Includes a well-structured navigation menu for easy access to New Arrivals, Clothing, Accessories, and Footwear.

-Integrated multilingual support, a shopping cart, and a search function for enhanced user experience.
